~~Dear~~

Dear New guy,

This place is going to ^{suck} ~~suck~~. You are not going to enjoy it. Oh cool you get pizza but that's about it. You have so much to memorize and so much to learn. But you do learn a lot. You're going to hate it though. Every Sunday at 9:45 AM! Although it sucks it's very beneficial. You actually learn about the religion and understand it rather than ^{have} ~~having~~ a guy with a long ~~beard~~ beard lecturing you about ~~music~~ how music ~~being~~ haram is haram. ^{It will change your life} ~~So I can see~~

as it has changed mine. So I do recommend it.

Dear Father,

Thank you. Thank you for everything you
~~have~~ have done while you were with us. Today is
fathers day and to be honest I am not

crying ~~like~~ like the rest of the family. In fact,

I am not sad at all. This is the first
fathers day without you and of course I miss

you but I know that you are in a much
better place so I am not sad. Although, ^{the} ~~things~~

past year has been the toughest year

the family has ever experienced. I wish you

were here to help us out because right now

everything is a mess. Hopefully it will get better

Soon, We are all praying for you and are all

wishing you were here right now. But don't

worry about us ; we will get through it. We

all love you and miss you. Happy Father's day.

Love - Billal Achekzai
