Dear Father,

Happy father's day! Thank you so much for all you do for me. I love you so much. ~~I don't know what I would do without you.~~ I don't know what I would do without you. You have taught me so much over the years and I know that I take it for granted a lot of the time. I may get mad at you sometimes but you ~~will~~ will always mean the world to me.

Dear Anisa,

You should join this program because it is really helpful. It may be tough at times but at the end of the day, you know that you have learned something. Another advantage to this program is that you get to meet a lot of other muslim kids that you can bond with. This program teaches you about islam and it also teaches you how to present yourself to others. This is definitely a program you should join.
