

Dear Daddy,

Happy Father's day. I hope you enjoy your gifts because I enjoyed picking them out for you. How is grandma Parker and grandma Miller. How is princess, how big is she? I got the new teas you sent me and I used your recipe for iced tea it's really good I have iced tea every morning because it's way too hot for coffee. Do they have Arizona's in South Carolina? ~~There is no good one~~ It's almost like pre-made iced tea. One of mom's friends came over and remodeled the house I can't wait till you see it.

Love,
