

Dear dad,

Happy Fathers day! You're such a good person! I'm so glad you're my dad because you're very calm and understanding. You do so much and never get credit for it. I cannot thank you enough for all you do. Thank you so much. Happy Fathers day!

Dear Anisya,

I believe that continuing Sunday School is important because you learn many different kinds of things aside from just ~~will be able to~~ arabic things. For example you learn to take leadership, learn to help other, while also ~~learning~~ understanding the religion. This class helped me realize that it doesn't matter that if you know how to do something, it matters that you know the meaning behind what you are learning. I encourage others to join this program because it has many beneficial things that will help you be a better person and a better Muslim.
