Dear Dad,

How's life down there biggy?
Anything shaking down
there. I'm so glad you're
my dad. You're the best dad
in the world. I hope you're
having more fun than I'm
having because I'm bored like
crazy. Brother Imial is making
me write this card for
you. I love you so much.
You're more fun than
crunchy chese exspt you
