Dear Dad,

Happy Father's Day! I
kind of already said everything
yesterday in my card, but I
will reiterate it. There
isn't anyone that could
raise a crazy clan of
kids like us. ~~But~~ I really do
appreciate you always supporting
my dreams despite how crazy
they can be and I will always
be thankful for the countless
lessons you have taught
me that will follow
me forever. Thanks so much
for everything.

Love ya,

Sarah Laher

Dear Anisa,

I think you should stay in this class because if you stick around for long enough you'll see how much ~~you~~ learn in this class and how much can be applied to ~~your~~ personal life in this day and age.

This is a really unique class that ~~is~~ you either love or you hate. I think this class is really good for ~~teenagers~~ because it focuses less on separation between men and women and more on the actual knowledge that can be applied to one's life.

Love,
