

Dear Ziyad,

I am glad you have joined the class. This class teaches you how to be a better muslim and a better person overall. I have vastly improved ever since I joined this class. My prayer has improved & I now judge my decision based on what the prophet would do & if Allah would approve.

Dear Father,

Thank you for everything you  
have done for me. You shaped me  
into the person I am today.  
I am responsible human being  
because of you. You gave everything  
I wanted & more. I will never  
stop loving you. I hope you  
will never stop loving me.
